# Arizona HOSA

## Building a Pipeline of Future Health Care Workers

### *Welcome Arizona HOSA:*

HOSA is a national student organization endorsed by the Arizona Department of Education, which can operate in secondary, postsecondary and collegiate institutions as an integral part of the Health Science Education Curriculum.

### **HOSA Facts:**

- Over 80,000 members in pursuit of a career in the health professions.
- 2,400 secondary and postsecondary/collegiate chapters sponsored by local instructors who serve as HOSA Chapter Advisors.
- 40 state associations led by State Health Science Directors who serve as HOSA State Advisors.

### **Health Science Education Classroom and HOSA Activities are Transparent:**

- HOSA activities reinforce classroom instruction and connect students with the health care community.
- HOSA plays a unique role in preparing students for further education and entry level certification (EMT, CNA, etc.).
- HOSA promotes career opportunities in health care to the entire school.
- HOSA is a student-led organization of future health care professionals providing opportunities for health career students to develop, practice and refine their leadership and team work skills.
- HOSA is 100% health care!
