

Future Business Leaders of America

FBLA is the professional organization for Arizona students preparing for careers in business. Over 250,000 students nationwide gain the competitive edge for college and career success through their affiliation with FBLA. The U.S. Department of Education and Arizona Department of Education recognize the educational programs embraced by FBLA and support FBLA as integral to quality business education programs.

Arizona business teachers recognize FBLA's value in strengthening their business program by enhancing the curriculum with practical application of classroom theory. Students gain experience and knowledge to build their leadership skills and gain confidence through working with local businesses and community leaders. In addition, FBLA offers members thousands of dollars in scholarships and education programs.
