Introduction to Health Occupations (6th Ed.) (2004)

Badasch & Chesebro

Prentice-Hall School <http://www.phschool.com/catalog/>

An interactive resource for students preparing for entry-level health occupation positions.

ISBN/ISSN: 0131836927 Student Edition w/CD-ROM

ISBN/ISSN: 0131102699 Workbook

ISBN/ISSN: 0131102672 Instructor's Guide

ISBN/ISSN: 0131102680 Instructor's Resource CD-ROM

It's for Real

Career Solutions Training Group

<http://www.careersolutionsgroup.com/Index1.htm>

Students follow five friends who encounter ethical dilemmas as they work in their part-time jobs after school. Each tabloid-size It's for Real newspaper look-alike addresses a different ethics topic that requires critical thinking and problem solving. Students are asked to decide what they would do. Set contains CD-ROM and paper.

Opportunities in Nursing Assistant Careers (2000)

Fox-Rose, J.

Microsoft eBook <http://www.ebookmall.com/ebook/72510-ebook.htm>

ISBN/ISSN: 0-8442-3431-1

Offers job seekers essential information about a variety of careers in the field of nursing. The book includes training and education requirements, salary statistics, and professional and Internet resources.

Employability Skills

Cultural Diversity in Health & Illness (6th Ed.) (2004)

Spector, R.E.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0130493791

Reference book is based on the idea of "Cultural Care", which is the concept that promotes health care as culturally sensitive, culturally appropriate, and culturally competent.

Internet Resources for Nurses (2nd Ed.) (2002)

Fitzpatrick, J. J., & Kristen S. Montgomery, K. S. (Eds.)

Springer Publishing http://www.springerpub.com/store/books_nursing.html

ISBN/ISSN: 0-8261-1785-6

Award-winning guide to the web for nurses is an authoritative guide to the best the web has to offer for the professional nurse.

Internet Resource Guide for Nurses and Health Care Professionals (2nd Ed.) (2001)

Cynthia M. Mascara, C.M., Czar, P., & Hebda, T.L.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-13-031103-0

This concise, pocket-sized guide to the online healthcare environment provides background information about the Internet, its services and various types of Internet resources available for nursing and healthcare professionals and students.

Math for Health Care Professionals (2005)

Kenamer, M.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401858031

ISBN/ISSN: 1401891799 Student Workbook

Comprehensive, foundational resource that assumes no prior knowledge of mathematics or health care but merges the two topics into the capstone of a complete learning package, including a student workbook.

Math for Health Care Professionals Quick Review (2005)

Kenamer, M.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401880053

A quick review of concepts is included in each chapter and then there are numerous practice problems for the learner to solve and get acquainted with the various math concepts.

Teaching Ideas and Classroom Activities for Health Care (2004)

Lee Haroun, L., & Royce, S.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766844900

Ways to teach basic principles in a wide variety of health care areas as well as team building and cultural awareness.

Transcultural Communication In Nursing (2nd Ed.) (2005)

Cora Munoz, C., & Luckmann, J.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766848779

Designed to help students and practicing professionals increase their self-awareness by recognizing possible biases and becoming more sensitive to cultural differences. This new edition gives examples of exchanges between the nurse and patients who hold various cultural values and beliefs. Latinos, Hispanics, Muslims, Hasidic and Reform Jews, Filipinos, Native Americans, and African Americans are just some of the ethnic and religious groups whose traditions are explored.

Working the Web: A Guide for Nurses (2002)

Julie B. Bliss, J.B., & DeYoung, S.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-13-061788-1

This is a small Internet guide specifically for nurses. It consists of five chapters, all providing a brief overview on how to use the Internet. It concludes with a very comprehensive appendix of annotated nursing URLs divided by more than 20 topics.

Gerontology/Geriatric Care

Dementia Care Modules for Nursing Assistants CD-ROM for Windows (2004)

Lippincott, Willimans, & Wilkins <http://www.lww.com>

ISBN/ISSN: 0-7817-5807-6

The Copper Ridge Institute affiliated with The Johns Hopkins University School of Medicine From the world-renowned Copper Ridge Institute comes a modular training program that certifies health care professionals in dementia care. Ideal for training and orientation at long-term care facilities or educational institutions, this program clarifies what dementia is, how it differs from normal aging, and the types and causes of dementia.

Gerontology, Nursing Care of the Older Adult (2001)

Hogstel, M. O.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766807290

Full color and highly illustrated text the reader will find a holistic approach to nursing care for the older population that addresses the physical, psychological, social and economic influences on the older adults health. A strong foundation on the normal aging process leads to sections on promoting health and wellness among the elderly.

Health Promotion and Disease Prevention in the Older Adult (2001)

Swanson, E. A., Tripp-Reimer, T., & Buckwalter, K.

Springer Publishing http://www.springerpub.com/store/books_nursing.html

ISBN/ISSN: 0-8261-1376-1

It is the intent [of this book] to promote evidence-based recommendations for older adults that health practitioners in a variety of settings can use.

Human Development and Performance Throughout the Lifespan (2005)

Author: Anne Cronin, A., & Mandich, M. B.

ISBN/ISSN: 0766842606

Provides entry-level users in rehabilitation disciplines such as occupational therapy and physical therapy with an overview of normative life tasks and roles across the lifespan.

Quality Care in the Nursing Home (1997)

Hebrew Rehabilitation Center for the Aged, Edited by: Morris, J.N., Lipsitz, L.A., Murphy, K., & Belleville-Taylor, P.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 0815142226

This book is a comprehensive and authoritative guide to nursing practice, policy, and procedure in a geriatric chronic care settings. Ideal as a stand alone reference, or as a companion to any of the various MDS assessment manuals.

Speaking From Experience, Nursing Assistants Share Their Knowledge Of Dementia Care (2002)

Cobble Hill Health Center, Inc

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401844146

Research staff has conducted these interviews with over 40 nursing aides and orderlies. Nurses' manual uses the experiences, suggestions and direct quotations of staff to outline pointed common sense approaches in working with individuals who have dementia. Photo-journalistic coverage of the staff and residents in day-to-day work relationships illustrate the text.

Toward Healthy Aging: *Human Needs & Nursing Response* (6th Ed.) (2004)

Ebersole, P., Patricia Hess, P., & Schmidt Luggen, A.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 0323020127

Comprehensive source for health promotion and health maintenance in gerontologic nursing education. Noted for its use of Maslow's hierarchy of needs, this resource and its author team have been praised for the text's wellness-based and holistic approach; comprehensive coverage of common, as well as not-so-common, conditions in the older adult.

Health Care Industry

Health Care Economics (2005)

Feldstein, P. J.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401859798

Advanced reference book illustrates the value of economics in understanding public policy issues that affect the medical services sector.

Medical Law and Ethics (2002)

Fremgen

Prentice-Hall School <http://www.phschool.com/catalog/>

ISBN/ISSN: 0835951383 Student Edition

ISBN/ISSN: 00130603813 Instructor's Guide

The US Health System, Origins and Functions (5th Ed.) (2002)

Raffel, M. W., & Barsukiewicz, C. K.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766807142

Offers not only an historical perspective detailing the origins of our health care system, but also discusses the forces that changed and shaped our system into what it is today. Underlying the comprehensive information on health care costs, finance, access, delivery and reform, is the ethical question of whether health care is a right or a privilege.

Health Science

A Caregiver's Guide to Giving Medicines

Heerema, C.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-8359-5388-2

This reference book provides basic background on the desired effects and side effects of different kinds of medication, and is written for the non-licensed caregiver—with little or no nursing/medical training—working primarily in an assisted living environment. It focuses on the techniques of dispensing medicine to the elderly, and emphasizes important skills related to preparation, safety and documentation procedures.

Basic Infection Control for the Health Care Professional (2002)

Kenamer, M.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766826783

Examines how the history of modern infection control relates to current practices and presents specific, practical strategies for guarding against disease. Cover the latest OSHA and CDC standards and guidelines on bloodborne and airborne disease prevention.

Bathing Without a Battle: Personal Care of Individuals With Dementia (2001)

Barrick, A. L., Rader, J., Hoeffler, B., & Sloane, P.D. (Eds.)

Springer Publishing http://www.springerpub.com/store/books_nursing.html

ISBN/ISSN: 0-8261-1507-1

This book presents an individualized, problem solving approach to bathing and personal care of individuals with dementia.

Body in Motion CD-ROM (2004)

Primal Pictures

Prentice-Hall School <http://www.phschool.com/catalog/>

A complete 3D model of the entire skeleton with muscles and ligaments, bones, arteries, and nerves, all presented in three different views. Through the use of advanced medical imaging and computer graphic techniques, every visible feature has been labeled and provides access to an extensive range of full-text articles on bones, muscles, and ligaments.

ISBN/ISSN: 0130493686

Body Structures and Functions (10th Ed.) (2004)

Scott, A.

ISBN/ISSN: 1401809952

Book w/Multimedia (CD, DVD or Electronic) includes great new features like a review of medical terminology, case studies to promote critical thinking, and complete coverage on the effects of aging.

Clinical Skills for Assistive Personnel (1998)

Sorrentino, S. A.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 0323000746

Developed to address the expanding role of the patient care technician or multi-skilled worker in today's health care environment. Content covers the various responsibilities of these workers and their relationships with other members of the health care team.

Delmar: Quick Reference for Health Care Providers

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>
ISBN/ISSN: 1-4018-5808-2

Dying, Death, and Bereavement: A Challenge for Living (2nd Ed.) (2003)

Corless, I., Germino, B.B., & Pittman, M.A.

Springer Publishing http://www.springerpub.com/store/books_nursing.html

ISBN/ISSN: 0-8261-2655-3

Examines the issues of death and dying as a continuum, from death education and care of the dying to grief and bereavement.

End-of-Life Ethics and the Nursing Assistant (2000)

Chichin, E.R., Burack, O.R., Olson, E., & Likourezos, A.

Springer Publishing http://www.springerpub.com/store/books_nursing.html

ISBN/ISSN: 0-8261-1307-9

This book describes the project that was developed to assess CNA's knowledge and attitudes about ethical issues and end-of-life decision-making and provide educational intervention and support.

Health Assessment for Nursing Practice (3rd Ed. (2005)

Wilson, S. F., & Giddens, J. F.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 032302596X Text, Student Lab Guide and Interactive Student CD-ROM Package
Organized by body system, this text presents a straightforward, visual approach to conducting a physical examination, with a unique delineation between the routine exam and exams for special circumstances or advanced practice.

Health Assessment & Physical Examination (2nd Ed.) (2002)

Zator Estes, M. E.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766824101 Book w/Multimedia (CD, DVD or Electronic)

ISBN/ISSN: 0766824136 CD-ROM

Comprehensive in scope, with engaging full-color photographs, the completely revised second edition presents physical assessment skills, clinical examination techniques and patient teaching guidelines in a manner that is easily read and assimilated. Free CD-ROM at back of book contains Flashcard software that reviews concepts on a chapter-by-chapter basis. Estes home page (<http://estes.delmarnursing.com>) contains free student resources: chapter objectives, frequently asked questions, course notes and more.

Health Care Science Technology: Career Foundations (2004)

Booth, K. A.

Glencoe McGraw Hill <http://www.glencoe.com>

ISBN/ISSN: 0-07-829412-6

ISBN/ISSN: 0-07-829737-0 Lab Manual

New text written specifically to address the National Health Care Skills Standards. It provides a firm foundation for the skills needed for health-related careers, such as teamwork and communications, and for specific jobs within career clusters, such as medical assisting or pharmacy technician.

Health Promotion Strategies through the Lifespan (7th Ed.) (2001)

Ruth Beckmann Murray, R.B., & Zentner, J.P.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-8385-3688-3

Reference using a practical, holistic approach to the health care of individuals and families. Offers specific guidelines for holistic health assessment, with suggested nursing interventions and health promotion strategies at each developmental stage from birth to death.

Knowledge to Care: A Handbook for Care Assistants (2005)

Dustagheer, A., Harding, J., & McMahon, C.

Blackwell Publishing <http://www.blackwellpublishing.com/searchres.asp?site=1>

ISBN/ISSN: 1405111119

Knowledge to Care provides health care assistants with the knowledge they need to gain confidence and understanding and to develop the skills and awareness required for everyday practice in hospitals, residential homes, and the community.

Human Diseases (5th Ed.) (2001)

Mulvihill

Prentice-Hall School <http://www.phschool.com/catalog/>

For students preparing for a health course, this book presents the basic principles of human disease, organized by human organ system. It provides practical information for both health career and general education students.

ISBN/ISSN: 0838539300 Student Edition

ISBN/ISSN: 0838536913 Instructor's Guide

ISBN/ISSN: 0130327387 Instructor's PowerPoint CD-ROM

ISBN/ISSN: 0130323888 WIN PH Test Manager

ISBN/ISSN: 0130323896 MAC PH Custom Test

Pocket Guide to Nutritional Assessment and Care (5th Ed.) (2005)

Moore, M.C.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 0323028020

A concise but thorough and comprehensive nutrition reference for all caregivers, this text serves nursing students, nurses, nurse practitioners, dietetic students, and dietitians alike, in both inpatient and outpatient settings.

Prentice Hall Handbook of Laboratory and Diagnostic Tests with Nursing Implications (5th Ed.) (2005)

LeFever Kee, J.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-13-118017-7

This reference provides quick, pertinent information on more than 420 laboratory and diagnostic tests—with emphasis on reference values and normal findings, descriptions, purposes, procedures, clinical problems and drug effects, factors affecting test results, nursing implications and client teaching.

Respiratory Care Skills for Health Care Personnel (2003)

Glencoe McGraw Hill <http://www.glencoe.com>

ISBN/ISSN: 0-07-822623-6

The text includes the essential skills needed to administer oxygen, medicated aerosol, and bronchial hygiene therapies. It includes basic characteristics of respiratory diseases and conditions, assessment, and appropriate intervention.

The OSHA Handbook, The Guidelines For Compliance In Health (3rd Ed.) (2002)

Acello, B.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 076684059X

Book w/Multimedia (CD, DVD or Electronic) Addresses the OSHA standard for occupational exposure to bloodborne pathogens, with emphasis on the human immunodeficiency virus (HIV) and hepatitis viruses.

Long Term Care

Assisting in Long Term Care (4th Ed.) (2002)

Hegner, B., & Fritsch Needham, J.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0766834794

ISBN/ISSN: 0-7668-3480-8 Workbook

A major goal of the content is to help nursing assistants develop an understanding of the principles on safe and effective care of residents in long-term care. Core values stressed include empathy, caring, communication skills, and respect for residents and their families. Special emphasis is placed on ensuring resident's rights, adequate nutrition and hydration, maintenance of mobility, psychosocial interactions, and a safe environment.

Nursing Assisting, Essentials for Long Term Care (2nd Ed.) (2005)

Acello, B.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401827527

ISBN/ISSN: 1401864945 Workbook

Specifically designed to prepare individuals to take the state certification exams. It presents basic resident care information for long-term care facilities emphasizing the realities of clinical practice while offering solutions to common problems encountered in the practice. This book meets the OBRA and CDC standards and emphasizes Infection Control in every chapter.

Being a Long-Term Care Nursing Assistant (5th Ed.) (2002)

Will-Black, C., & Eighmy, J. B.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 013089432X Student Edition

ISBN/ISSN: 0130894362 Workbook

ISBN/ISSN: 0130894338 Instructor's Guide

ISBN/ISSN: 0130317047 WIN PH Test Manager

ISBN/ISSN: 0130405302 MAC PH Custom Test

ISBN/ISSN: 0130289329 Test Item File

Includes caring tips to accompany chapter-opening photographs and chapter-ending two-part summary: Part 1 helps students synthesize the general content of the chapter and Part 2 helps students focus on the key OBRA regulations.

Mosby's Textbook/Workbook Package for Long-Term Care Assistants (4th Ed.) (2003)

Sorrentino, S. A.

Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>

ISBN/ISSN: 0323019226

Prentice Hall Health's Survival Guide for Long-Term Care Nursing Assistants (2002)

Burton, M.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-13-092067-3

Designed to inspire confidence and promote career success, this brief reference guide provides quick and clear guidance for nursing assistants working in long-term care—with a focus on respiratory and circulatory problems, stroke, and diabetes.

Restorative Care, Fundamentals for the Certified Nursing Assistant (2000)

Acello, B.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 0827381417

ISBN/ISSN: 0-8273-8142-5 Instructor's Manual

ISBN/ISSN: 0-7668-1433-5 Computerized Test bank

This comprehensive text provides the content necessary for training nursing assistants to provide restorative care in long-term care facilities, as required by OBRA law.

The Continuum of Long-Term Care (3rd Ed.) (2005)

Evashwick, C.

Thomson Learning Delmar Publishers <http://e-catalog.thomsonlearning.com>

ISBN/ISSN: 1401896375

Each chapter is written by a different expert or multiple experts with extensive experience and knowledge of that particular facet of Long-Term Care. Client Examples bring each chapter's content into a real life setting and apply the principles therein to realistic long-term care situations.

The Long-Term Care Nursing Assistant (3rd Ed.) (2005)

Peggy A. Grubbs, P.A., & Blasband, B. A.

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

ISBN/ISSN: 0-13-118022-3

ISBN/ISSN: 013118024X Workbook

True-to-life resource for today's nursing assistant and patient care assistant that reflects the changes in both the health care delivery system and in the role of nursing assistants. It provides practical guidelines focused on the restorative approach and the importance of effective communication and places a strong emphasis on cultural awareness and age-specific nursing to meet the needs of a diverse population.

Medcom Care Provider Skills Video Series, (2nd Ed.) (1999)

Medcom, Inc.

ISBN: 0-13-015861-5

Pearson Prentice Hall <http://vig.prenhall.com:8081/catalog/academic/course/0,1143,211377,00.html>

The *Care Provider Skills Series* consists of ten programs that provide clear and up-to-date demonstrations and information on fundamental skills needed by anyone providing patient care—whether in a physician's office, ambulatory care setting, acute care setting, long-term care, or home care. Titles:

Dealing with Dementia: Care Provider Series Video

Infection Control: Care Provider Series Video, 2/E

Personal Care: Care Providers Series Video, 2/E

Bed Bath: Care Provider Series Video

Age Specific Care: Care Provider Series Video

Body Mechanics: Care Provider Series Video

Transmission Based Precautions: Care Provider Series Video
Patient Rights: Care Provider Series Video
Measuring Vital Signs: Care Providers Series Video, 2/E
Transfer and Ambulation: Care Provider Series Video, 2/E

Mosby's Nursing Assistant Skills Videos- Basic Set (2001)

Sorrentino, S. A., Gorek, B., Potter, P.A., & Griffin Perry, A.
Elsevier/Mosby <http://www.us.elsevierhealth.com/Nursing/index.jsp>
ISBN/ISSN: 032301366X

Video series features the skills essential for practice in an engaging, fast-paced presentation that clearly demonstrates key nursing assistant procedures. Actual nurses and nursing assistants perform the skills to realistically depict the team approach to care delivery. Contemporary concepts such as delegation, patient/resident rights, standard CDC precautions, OSHA Standards, quality of life, and communication techniques are integrated throughout. Engaging computer graphics and animation help keep the viewer's attention. Titles:

Basic Principles
Measurements
Normal Elimination
Bathing
Personal Hygiene and Grooming
Body Mechanics and Exercise
Safety and Restraints
Nutrition and Fluids
Preventing and Treating Pressure Ulcers
Bedmaking

INTERNET SITES

Associations on the Internet

American Assisted Living Nurses Association

<http://www.alnursing.org/index2.htm>

Teaching resources, but nothing on standards.

American Geriatrics Society (AGS)

<http://www.americangeriatrics.org/>

Primarily society for physicians, but has information for educators.

American Health Care Association (AHCA)

<http://www.ahca.org/index.html>

Non-profit federation of affiliated state health organizations, together representing more than 10,000 non-profit and for-profit assisted living, nursing facility, developmentally-disabled, and subacute care providers that care for more than 1.5 million elderly and disabled individuals nationally. Offers a bookstore, HIPPA information, and consumer resources. Students can find career information and glossary of terms.

American Nurses Association (ANA)

<http://www.nursingworld.org/>

Representing the nation's 2.6 million Registered Nurses through its 54 constituent state associations and 10 organizational affiliate members. Lots of information on nursing and issues affecting nurses.

Direct Care Alliance

<http://www.directcarealliance.org/>

Heavily involved in upgrading the training of CNAs to include communication, problem-solving, etc. skills. Excellent statement of the issues.

National Association of Geriatric Nursing Assistants (NAGNA)

<http://www.nagna.org/>

Association has a membership of more than 30,000 CNAs representing over 500 nursing homes in 29 states and the District of Columbia. It provides recognition for outstanding achievements, development training for CNAs, mentoring programs to reduce CNA turnover, and advocacy for issues important to long term care and CNAs. Lots of information handouts to download.

National Network of Career Nursing Assistants

<http://www.cna-network.org/pages/home.htm>

Career Nurse Assistants' Programs, Inc. is a non-profit, tax exempt, educational organization promoting recognition, education, research, advocacy and peer support development for nursing assistants in nursing homes and other long term care settings. The membership of CNAP is the National Network of Career Nursing Assistants

Careers and Career Exploration

Arizona Career Resource Network (AzCRN)

Arizona State Board of Nursing Rules and Regulations

<http://www.azbn.org/ProposedRules.asp>

Find updates on proposed and actual changes to the rules and regulations affecting the education and certification of Nurses and Nursing Assistants.

Educational Resources Information Center (ERIC)

<http://ericir.syr.edu>

Health Data Bases, Evaluation, Lesson Plans by grade.

Healthfinder

<http://www.healthfinder.org>

Award-winning Federal Web site for consumers, developed by the U.S. Department of Health and Human Services together with other Federal agencies. Since 1997, healthfinder® has been recognized as a key resource for finding the best government and nonprofit health and human services information on the Internet. Provides links to carefully selected information and Web sites from over 1,500 health-related organizations.

Healthworld Online

<http://www.healthy.net>

Free newsletter and information on “self management” for healthy people, lifestyles, alternative health; Large self-help resource center.

3M Infection Prevention

<http://www.3m.com/surgicaldrapes/>

Lots of information on sterilization, hand cleansing, environmental cleansing, wound management, etc.

Medi-Lexicon

<http://www.pharma-lexicon.com/>

A dictionary of over 200,000 medical, pharmaceutical, biomedical & healthcare acronyms and abbreviations. Plus medical news and searches for the medical, pharmaceutical or healthcare professional. From the UK.

Medline Plus

<http://medlineplus.gov/>

A goldmine of good health information from the world’s largest medical library, the National Library of Medicine. Dictionary, health topics, encyclopedia, drug information, news, etc.

Med Web Plus

<http://www.medwebplus.com>

Flexis created MedWebPlus as a commercial product and catalogue of biomedical resources on the Internet and in print. They provide a basic online version of MedWebPlus as a free service to anyone needing assistance locating health-related information on the Internet.

National Center for Assisted Living (NCAL)

<http://www.ncal.org/>

Assisted living voice of the American Health Care Association (AHCA). Primarily focuses on federal issues, but also provides support to state affiliates to impact policy decisions regarding assisted living issues.

National Clearinghouse on the Direct Care Workforce [http://](http://www.directcareclearinghouse.org/index.jsp)

www.directcareclearinghouse.org/index.jsp

The National Clearinghouse is a project of the nonprofit Paraprofessional Healthcare Institute and was developed in cooperation with the Direct Care Alliance. It collects, analyzes, and disseminates information concerning the health care paraprofessional workforce. The Clearinghouse provides both practice and policy-related resources necessary to enhancing the quality of jobs for direct-care workers in long-term care.

National Consortium on Health Science and Technology Education

<http://www.nchste.org/>

The National Consortium on Health Science and Technology Education is a national partnership of individuals and organizations with a vested interest in health science and technology

education. Worked with NOCTI on assessment of their National Health Care Skill Standards. They also provide 2002 Health Science Cluster Model on CD Media with 170 activities provided by the National Consortium of Health Sciences and Technology Education

National Information Center on Health Services Research and Health Care Technology (NICHSR)

<http://www.nlm.nih.gov/nichsr/hsrsites.html>

At the National Library of Medicine offers huge database and resources on health services research, including practice guidelines and technology assessments.

Nursing Assistant's Resources on the Web

<http://www.nursingassistants.net/>

Grassroots effort with lots of links and message board.

Risk Management Internet Services Resource Library

<http://www.rmLibrary.com/>

MTC (Managerial Technologies) resource library provides professional guides, tools, and training materials on such areas as infection control, aging, first aid, regulations etc. Subscription required-educational discount.

The Center for Bioethics

University of Pennsylvania School of Medicine

<http://www.bioethics.upenn.edu/>
